

COUNTY OF YORK

MEMORANDUM

DATE: December 22, 2005 (BOS Mtg. 1/3/06)

TO: York County Board of Supervisors

FROM: James O. McReynolds, County Administrator

SUBJECT: Organization of the York County Board of Supervisors

Attached for your consideration is proposed Resolution R06-1 to adopt the Board's Rules of Procedure for the year 2006. The proposed resolution has been prepared with no recommended amendments except to delete reference to the timing for the second meeting in January, 2005. This language was in the 2005 Rules because of the accommodation needed for public hearings that had already been advertised for that meeting.

If you have any further modifications you wish to make, or you have need for further information on the attached material, please contact me.
